Sq/Ft - Acreage

10,000 sq/ft

Completion Date

Projected December 2010

Total Value

of Construction

\$3,900,000

Description

St. Brigid of Kildare Church is one of the premier Catholic Churches in Ohio located in Dublin on Avery Road. Following three successful projects totaling more than \$6.0 million, O'Brien Robinson was selected to work with St. Brigid and the architect, Sullivan Bruck, to design, estimate and construct an addition to the main sanctuary at the church. Construction began in November of 2009 with a completion date projected for fall 2010. There will be 5 different areas of the church that will be expanded taking the seating capacity to nearly 1,500 this will be done by removing the east and west transepts and adding on to each side of the building. Additional improvements will be made to the interior of the Church adding to the existing beauty. Once complete, St. Brigid will have the seating capacity it needs to serve the Dublin community.
